Jesus told a story about a hidden treasure that, once discovered, brought life-changing joy. In *The Treasure Principle*, Randy Alcorn unearths a simple yet profound principle that will radically change your concept of stewardship. Short on guilt, Alcorn illuminates the liberating joy of giving and its impact, not only for today but for eternity as well. A perennial bestseller, this revised edition includes a new concluding chapter, "31 Radical, Liberating Questions to Ask God About Your Giving."

In this companion Bible study to Randy Alcorn's bestseller *The Treasure Principle*, you'll dig deeper into the financial principles from the book and learn to apply them in your life. This 12-week study can be used for personal use but is more profitable if used in a group context. While each chapter includes short quotations from the book, you'll benefit most by reading the applicable chapter of the book first. Each chapter also provides thought-provoking questions, group discussion starters, and short Scripture passages for meditation and memorization.
