Silenced: A Novel (The Fredrika Bergman Series) Kristina Ohlsson

From “one of Sweden’s best” (*Los Angeles Times Magazine*) comes the third installment in the psychological thriller series featuring the savvy, sharp, and fearless investigative analyst Fredrika Bergman.

Fifteen years ago: A teenage girl is viciously assaulted as she picks flowers in a field one night in midsummer. The crime is never reported.

Present day: A man with no identification is killed in a hit-and-run. He is never reported missing. Across the city, a priest and his wife are found dead in an apparent suicide.

Fredrika Bergman is assigned to the case. What she and her colleagues discover is that a sinister evil, the roots of which date back decades, is the link behind these seemingly unrelated crimes. There’s a reason why none of them were ever reported, and it has to do with a shocking and horrendous cover-up unlike anything Fredrika could have possibly imagined.

Skillfully crafted and highly suspenseful, *Silenced* is a gripping thriller in which the consequences of past tragedies continue to haunt the present, reaching further and deeper than anyone ever expected.
