**The Loss of Self: A Family Resource for the Care of Alzheimer's Disease and Related Disorders (Revised Edition)** Donna Cohen, Carl Eisdorfer

**A tremendous resource for all those grappling with Alzheimer's disease, including patients, families, caregivers, and professionals.**

This fully revised and updated edition gives the latest information on causes, preventive measures, diagnosis, treatment, and drugs. But *The Loss of Self* goes even further than the biological, medical, and social issues to explore the emotional challenges any person coping with Alzheimer's will experience. Personal stories give hope, dignity, and ideas for solving even the most difficult problems such as sexuality, violence, abuse, and family conflict. *The Loss of Self* speaks to those suffering from Alzheimer's and to family members wanting to understand how to help a relative and to meet their own needs over the long years of caring.
