Atomic God

Mark David King

Atomic God Mark David King

Sprawling mystic encounters with the living Christ; plus, reaffirmation of the ancient astronaut theories haunt this poetically-crafted tale of axiomatic truth. All unearthly religions are eagerly visited, merged and meshed with astro-physics and other scientific ideas concerning the construction of human life. Forged for the neophyte; also, barded for the intrepid intellectual--this bodaciously bold book offers insight into the gleaming ghost of God.
