From the publisher:

Students who complete this workbook will be better prepared to spell words that have difficult sounds or endings. This book also provides instruction in key suffixes and English, Latin, and Greek prefixes. Later units teach students how to discriminate between synonyms and how to change accents. Phonics principles focus on vowel sounds, "er," "sk," "k," and "sh" sounds. Vocabulary-building is emphasized through contextual exercises as well as a lesson dealing with word meanings. Word-bank, crossword, fill-in-the-blank, and other exercises are included to help students gain familiarity with how words and sentences are constructed.

Test sheets are included at the back of the book. With 36 units and 5 lessons per unit, the text is designed to be used daily over a 36 week period.

Laura Dupont:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Building Spelling Skills 6 SET (Student and Key) 2nd ed. can make you sense more interested to read.
