This book is written for children aged between 4 and 6 years old and meant for parents to read to them. The lovely photographs bring into focus the unique beauty of the tiger.

The book is about the beautiful big tigers that will soon be extinct if we do not do anything to save the tiger. The pictures of the different species of tigers show how strong and powerful they are, yet they are being decimated by people who destroy their natural habitat and poach. Let's Save the Tiger shows why the tiger is now an endangered species and how we can help to save it.
