There are few things sadder than Jack Grammar s love life. So when his friends take it upon themselves to get him a date to the prom by placing an intensely humiliating ad in the school paper, they think they are doing him a favor. Jack doesn t agree. But then the most amazing thing happens: responses to the ad are overwhelming. So overwhelming, in fact, that Jack must narrow the list down. A lot. Not an easy task. Turns out, the girls at City High are quite competitive. From drive-by flashings to breaking and entering to cell phone stalkers, these potential prom dates will stop at nothing to snag the suddenly popular Jack. How will he ever choose just one?"
