Bodies of Water

T. Greenwood

Bodies of Water T. Greenwood

Greenwood is a writer of subtle strength. . .finding light in the darkest of stories. --*Publishers Weekly* on *Two Rivers*

In 1960, Billie Valentine is a young housewife living in a sleepy Massachusetts suburb, treading water in a dull marriage and caring for two adopted daughters. Summers spent with the girls at their lakeside camp in Vermont are her one escape--from her husband's demands, from days consumed by household drudgery, and from the nagging suspicion that life was supposed to hold something different.

Then a new family moves in across the street. Ted and Eva Wilson have three children and a fourth on the way, and their arrival reignites long-buried feelings in Billie. The affair that follows offers a solace Billie has never known, until her secret is revealed and both families are wrenched apart in the tragic aftermath.

Fifty years later, Ted and Eva's son, Johnny, contacts an elderly but still spry Billie, entreating her to return east to meet with him. Once there, Billie finally learns the surprising truth about what was lost, and what still remains, of those joyful, momentous summers.

In this deeply tender novel, T. Greenwood weaves deftly between the past and present to create a poignant and wonderfully moving story of friendship, the resonance of memories, and the love that keeps us afloat.

"Complex and compelling." --Eleanor Brown, *New York Times* bestselling author of *The Weird Sisters*

From reader reviews:

Ruth McGrath:

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider if those information which is in the former life are hard to be find than now is taking seriously which one would work to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Bodies of Water as your daily resource information.

Paul Dixon:

Spent a free time for you to be fun activity to try and do! A lot of people spent their sparetime with their family, or their friends. Usually they carrying out activity like watching television, gonna beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Can be reading a book is usually option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try look for book, may be the e-book untitled Bodies of Water can be excellent book to read. May be it is usually best activity to you.

Leslie Martin:

Your reading 6th sense will not betray anyone, why because this Bodies of Water reserve written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still uncertainty Bodies of Water as good book not only by the cover but also with the content. This is one book that can break don't judge book by its deal with, so do you still needing a different sixth sense to pick this kind of!? Oh come on your looking at sixth sense already alerted you so why you have to listening to an additional sixth sense.

Douglas Stevens:

Is it you actually who having spare time after that spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Bodies of Water can be the respond to, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these books have than the others?
