Contradiction: Series Cookbook (The Contradiction Series 3) Peggy Martinez

The Contradictions Series Cookbook is a recipe book based on the Contradiction Novels by Peggy Martinez. The characters and stories found in the Contradiction Novels may be fictional, but the love the author has for all things country and southern is all too real. In this recipe book, you will find over fifty recipes that have been southern-kitchen tested and country-simple approved. Some have been passed down for generations, and some are just plain easy and fun. But all of them could have easily been one of the recipes Jennifer Collins uses in Sweet Contradiction or Perfect Contradiction. So, pull a chair up, grab a glass of sweet iced tea, and expect your little heart to be blessed. We're glad y'all are here.
