Erualis' time is running out and now Rumpelstiltskin says there are only two who can save him...

Lilith Wolf, the daughter of the Big Bad Wolf and Little Red Riding Hood has a problem, she's an unmated female in heat. She has to get away from the males of her village unless she wants to find herself involuntarily hand fasted to the first one to tame her wolf. So when Giles Damien comes to her calling due the pact she'd signed with Rumpelstiltskin years ago, she doesn't really think twice about the fact that she'll be journeying to Fyre Mountain. Even though that means she'll be crossing paths with an angry water dragon, a pub full of rowdy Merry Men, and rock dwarves with a taste for flesh... For an alpha female that's an adventure. No problem. Find the Chalice of Hope, come back home, and life will return back to normal again.

But she hadn't counted on an honorable Giles Damien to intrigue not only her female sensibilities, but her wolf too. He's a warrior, but he's sweet, he's patient, and he's altogether different from the aggressive, rough males of her village. Problem is Giles is a demone, and everyone knows they don't mingle outside of their species. But now her sights are set on him and she's going to make it her mission to prove to the stubborn headed demone that sometimes love can come from the most unexpected of circumstances...
