Product Description Half Summer faery princess, half human, Meghan has never fit in anywhere. Deserted by the Winter prince she thought loved her, she is prisoner to the Winter faery queen. As war looms between Summer and Winter, Meghan knows that the real danger comes from the Iron fey ironbound faeries that only she and her absent prince have seen. But no one believes her. Worse, Meghan's own fey powers have been cut off. She's stuck in Faery with only her wits for help. Trusting anyone would be foolish. Trusting a seeming traitor could be deadly. But even as she grows a backbone of iron, Meghan can't help but hear the whispers of longing in her all-too-human heart.

My name is Meghan Chase. In less than twenty-four hours I'll be sixteen. Countless stories, songs and poems have been written about this wonderful age, when a girl finds true love and the stars shine for her and the handsome prince carries her off into the sunset. I don't think it will be that way for me. Something has always felt slightly off in Meghan's life, ever since her father disappeared before her eyes when she was six. She has never quite fit in at school...or at home. When a dark stranger begins watching her from afar, and her prankster best friend becomes strangely protective of her, Meghan senses that everything she's known is about to change. But she could never have guessed the truth - that she is the daughter of a mythical fairy king and is a pawn in a deadly war. Now Meghan will learn just how far she'll go to save someone she cares about, to stop a mysterious evil no faery creature dare face...and to find love with a young prince who might rather see her dead than let her touch his icy heart.
