Rolling with the Punches Jamie Kerrick

***Rolling With The Punches*** is what Joey Doulgas's dad always told him when things got rough. He explained that the punches in life were something you always had to deal with. Joey grew to understand once he got older, but it was a life long lesson. We start with a young Joey feeling he was different due to his sexual feelings toward men. Living in a small town in Kentucky only made it worse. There were three things Joey didn't want to be: gay, alone, and alcoholic. He was all three. This is his story, which can only be described as a dramedy for gay recovering alcoholics and addicts because it's both funny and tragic. We follow him as he grows up, goes to summer stock in Virginia, to study in Europe, New York, California, and finally back home. At one time alcohol was his answer to life. But it took over his life and he had to ask for help. But Joey is a slow learner. It takes him nearly 21 years before he found Alcoholics Anonymous and a new way of life. But the punches continued to come. The only difference is, he became aware of how to handle them. Find out how in this entertaining novel. You'll find yourself rooting for him, while identifying with him as well.

### From reader reviews:

#### **Christopher Clarke:**

In other case, little individuals like to read book Rolling with the Punches. You can choose the best book if you'd prefer reading a book. Given that we know about how is important the book Rolling with the Punches. You can add expertise and of course you can around the world by a book. Absolutely right, since from book you can learn everything! From your country until foreign or abroad you will end up known. About simple point until wonderful thing it is possible to know that. In this era, we are able to open a book or perhaps searching by internet product. It is called e-book. You need to use it when you feel fed up to go to the library. Let's read.

#### **Robert Beck:**

In this period of time globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The book that recommended to you personally is Rolling with the Punches this e-book consist a lot of the information from the condition of this world now. That book was represented how does the world has grown up. The words styles that writer value to explain it is easy to understand. Often the writer made some analysis when he makes this book. That is why this book suited all of you.

#### **Alejandro Colon:**

This Rolling with the Punches is fresh way for you who has intense curiosity to look for some information given it relief your hunger of information. Getting deeper you in it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Rolling with the Punches can be the light food for yourself because the information inside this particular book is easy to get through anyone. These books acquire itself in the form that is reachable by anyone, that's why I mean in the e-book type. People who think that in reserve form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book kind for your better life in addition to knowledge.

#### **Sarah Acres:**

Do you like reading a guide? Confuse to looking for your best book? Or your book had been rare? Why so many query for the book? But any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Rolling with the Punches or perhaps others sources were given expertise for you. After you know how the good a book, you feel desire to read more and more. Science publication was created for teacher or even students especially. Those textbooks are helping them to put their knowledge. In other case, beside science book, any other book likes Rolling with the Punches to make your spare time more colorful. Many types of book like here.
