**Blowing Up Russia: The Secret Plot to Bring Back KGB Terror** Alexander Litvinenko, Yuri Felshinsky  
Blowing Up Russia contains the allegations of ex-spy Alexander Litvinenko against his former spymasters in Moscow which led to his being murdered in London in November 2006. In the book he and historian Yuri Felshinsky detail how since 1999 the Russian secret service has been hatching a plot to return to the terror that was the hallmark of the KGB. Vividly written and based on Litvinenko's 20 years of insider knowledge of Russian spy campaigns, Blowing Up Russia describes how the successor of the KGB fabricated terrorist attacks and launched a war. Writing about Litvinenko, the surviving co-author recounts how the banning of the book in Russia led to three earlier deaths.
