Blue Smoke Nora Roberts

The incomparable #1 *New York Times* bestselling author Nora Roberts delivers a tale of gut-level fear, human triumph, and the bonds that carry us through our darkest times...

Reena Hale's destiny was shaped in the destructive—yet fascinatingly beautiful—fire that leveled her family's pizzeria when she was young. Now an arson investigator, she finds her strength and wits constantly tested, although sometimes the job seems like a snap compared to her love life. But she can't always blame the men. After all, a soot-caked woman barking orders and smelling of smoke isn't the biggest turn-on in the world. Then she meets Bo Goodnight, who seems different. He's been trying to find Reena for years, and now that she's close enough to touch, he has no intention of letting go.

Nor does the man who has begun to haunt Reena's life—with taunting phone calls and a string of horrifying crimes. And as Reena tries desperately to trace the origins—of the calls, the fires, the hatred aimed in her direction—she will step into the worst inferno she has ever faced...

From reader reviews:

Hazel Polk:

As people who live in the particular modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Blue Smoke is our recommendation to make you keep up with the world. Why, since this book serves what you want and wish in this era.

George Gomez:

Spent a free the perfect time to be fun activity to do! A lot of people spent their free time with their family, or their friends. Usually they doing activity like watching television, going to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Can be reading a book could be option to fill your free time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled Blue Smoke can be excellent book to read. May be it might be best activity to you.

Anderson Austin:

Blue Smoke can be one of your starter books that are good idea. Most of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining however delivering the information. The author giving his/her effort to put every word into satisfaction arrangement in writing Blue Smoke but doesn't forget the main level, giving the reader the hottest and also based confirm resource data that maybe you can be one among it. This great information could drawn you into brand-new stage of crucial contemplating.

David Wilkens:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Blue Smoke can make you feel more interested to read.
