Fundamentals of Anatomy & Physiology (10th Edition)

Frederic H. Martini, Judi L. Nath, Edwin F. Bartholomew

Fundamentals of Anatomy & Physiology (10th Edition) Frederic H. Martini, Judi L. Nath, Edwin F. Bartholomew

For two-semester A&P.

Fundamentals of Anatomy & Physiology helps you succeed in the challenging A&P course with an easy-to-understand narrative, precise visuals, and steadfast accuracy. Every chapter of the Tenth Edition includes one- and two-page Spotlight Figures that seamlessly integrate text and visuals to guide you through complex topics and processes. These highly visual presentations incorporate, for select topics, the “visual approach” that the same author team created in their *Visual Anatomy & Physiology* book. New Clinical Cases open every chapter and get you thinking about the chapter content in the context of a personal compelling patient story. The Tenth Edition integrates book content with MasteringA&P®, through expanded Coaching Activities, which personalize learning and coach you toward understanding and mastery of tough A&P topics.

This program presents a better learning experience. It provides:

- **Personalized Learning with MasteringA&P:** Engage with A&P through new Spotlight Figure Coaching Activities, and new Book-specific Clinical Case Activities, and a wide range of other question and activity types—all that are automatically graded.
- **Text-art Integration:** The popular one- and two-page Spotlight Figures and other figure types seamlessly integrate text and visuals to guide you through complex topics and processes. You study the Spotlight Figures in the book, and then your instructor can assign them in MasteringA&P.
- **Story-based Clinical Content:** Motivate yourself for your future careers with the new Clinical Cases.
- **Time-saving Navigation and Study Tools:** Better navigate difficult A&P topics through both the book and MasteringA&P.

Note: You are purchasing a standalone product; MasteringA&P does not come packaged with this content. If you would like to purchase both the physical text and MasteringA&P search for ISBN-10: 0321908597/ISBN-13: 9780321908599. That package includes ISBN-10: 0321909070/ISBN-13: 9780321909077 and ISBN-10: 0321940717/ISBN-13: 9780321940711.

MasteringA&P is not a self-paced technology and should only be purchased when required by an instructor.

From reader reviews:

Thelma Burke:

The reserve untitled Fundamentals of Anatomy & Physiology (10th Edition) is the e-book that recommended to you to read. You can see the quality of the e-book content that will be shown to anyone. The language that author use to explained their ideas are easily to understand. The author was did a lot of research when write the book, therefore the information that they share for your requirements is absolutely accurate. You also will get the e-book of Fundamentals of Anatomy & Physiology (10th Edition) from the publisher to make you much more enjoy free time.

Florence Booth:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Fundamentals of Anatomy & Physiology (10th Edition), it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its identified as reading friends.

James Walton:

This Fundamentals of Anatomy & Physiology (10th Edition) is great guide for you because the content that is full of information for you who all always deal with world and possess to make decision every minute. This particular book reveal it information accurately using great organize word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with lovely delivering sentences. Having Fundamentals of Anatomy & Physiology (10th Edition) in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world within ten or fifteen moment right but this book already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

Shelley Gavin:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Fundamentals of Anatomy & Physiology (10th Edition) can make you sense more

interested to read.
