Rainbow Bridge: A True Story About Rescue Cats Susan Cilyk

Just this side of heaven is a place called Rainbow Bridge. When an animal dies that has been especially close to someone here, that pet goes to Rainbow Bridge. The animals are happy and content, except for one small thing: they miss someone very special to them who they have left behind.' When Susan Cilyk finally reaches Rainbow Bridge to be reunited with her four-legged friends, what a welcome she'll receive from the menagerie of cats who've shared her life! For fifteen years Susan has opened her home (and heart) to a procession of felines: from the elusive Katy to the coffee-loving Twinkle, from Thomas with his cauliflower ears to Posey with her plastic string 'comfort blanket', they are all here, recalled with astonishing clarity and humour; gone from Susan's life, but never from her heart.
