White Widow

Jim Lehrer

White Widow Jim Lehrer

Praised by the *New York Times Book Review* as "an...affecting morality tale," Jim Lehrer's devastating *White Widow* brings the reader to the brink of one man's unstoppable, ruinous passion for a complete stranger.

Jack T. Oliver has a solid marriage, a cozy house in Corpus Christi, and a job he loves as a driver for the Great Western Trailways bus line. In a few weeks, Jack is going to be promoted to Master Operator in recognition of his years of perfect service and on-time driving. It's a good life. Until a White Widow boards his bus, on a one-way ticket from Victoria to Corpus Christi.

A White Widow is a wild card, a woman traveling alone who can change the course of a driver's life, and not always for the best. What happens when Jack Oliver's White Widow passes through his life is as unforgettable as it is irrevocable. Within weeks, without ever even learning her name, he will fall passionately in love—and lose everything he has, a few things he never had, and some he never thought about until they were gone.

From reader reviews:

Flora Godfrey:

Do you one among people who can't read satisfying if the sentence chained inside the straightway, hold on guys this aren't like that. This White Widow book is readable by means of you who hate the straight word style. You will find the info here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to give to you. The writer connected with White Widow content conveys the idea easily to understand by most people. The printed and e-book are not different in the written content but it just different as it. So , do you even now thinking White Widow is not loveable to be your top listing reading book?

John Bullard:

Typically the book White Widow has a lot associated with on it. So when you read this book you can get a lot of gain. The book was authored by the very famous author. Mcdougal makes some research before write this book. This book very easy to read you can find the point easily after reading this article book.

Denise Niemi:

The reason? Because this White Widow is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Linda Thomas:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book had been rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading through, not only science book but additionally novel and White Widow or others sources were given information for you. After you know how the fantastic a book, you feel wish to read more and more. Science reserve was created for teacher as well as students especially. Those books are helping them to include their knowledge. In additional case, beside science guide, any other book likes White Widow to make your spare time much more colorful. Many types of book like here.
