- Linked table of contents to reach your chapter quickly

Complete and unabridged with original illustrations and new introduction detailing the historical and social context of the novel, with helpful annotations and clear definitions (such as the Corn Laws, Lettres de cachet, Chartism movement, Reign of Terror, Ancien Régime and more). Introduction lends a fresh insight into meaning and relevance of novel in modern-day society.

Excerpt from Introduction: "A dramatic historical novel, "A Tale of Two Cities" follows the lives of several protagonists involved in the vortex of events of the French Revolution and the subsequent Reign of Terror.

Considered by Dickens himself one of his most successful novels, "A Tale of Two Cities" contains classic Dickensian themes: from poverty to nobility of spirit, from sacrifice to redemption, to name but a few.

"A Tale of Two Cities" is a novel that fascinates from the first page to the last due to its mix of historical truth and fiction, its capacity to represent human suffering and its representation of the delicate balance and 'dualism' found in all aspects of life.

A classic – although not the most popular – 19th century English novel, "A Tale of Two Cities" depicts the struggles of the French proletariat in the years leading up to the revolution, and the corresponding brutality demonstrated by the revolutionaries during the Reign of Terror towards the former aristocrats.

"A Tale of Two Cities" arguably has parallels in our modern-day society where the gap between the rich and poor in a globalized world continues to grow and unrest and revolts throughout the globe are ever more present. The novel also serves to emphasize that violence only breeds violence. Perhaps Dickens' hypothesis of revolution being contagious and the fears of a history repeating itself are as relevant now as they were then. "A Tale of Two Cities" is much more than a work of fiction, in that it also serves as a lesson and a harsh reminder of the past to avoid repeating such horrific events in the future."
