Essentials of Educational Psychology: Big Ideas to Guide Effective Teaching Plus MyEducationLab with Pearson eText -- Access Card Package (3rd Edition) Jeanne Ellis Ormrod

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

Unlike most educational psychology books, which take one theory at a time, explain its assumptions and principles and then identify implications for educational practice, *Essentials of Educational Psychology* focuses more on the commonalities than the differences among theories, because although researchers from different traditions have approached human cognition and behavior from many different angles, they sometimes arrive at more or less the same conclusions. This book integrates ideas from many theoretical perspectives into a set of principles and concrete strategies that psychology *as a whole* can offer you. *See for Yourself* exercises will help you discover more about yourself as a thinker and learner and also help you come to a deeper and more personal understanding of educational psychology's core ideas.

This is the standalone book, if you want the Book/Access Card order the ISBN listed below:
