Doris Lessing

Under My Skin: Volume One of My Autobiography, to 1949 Doris Lessing

"I was born with skins too few. Or they were scrubbed off me by . . .robust and efficient hands."

The experiences absorbed through these "skins too few" are evoked in this memoir of Doris Lessing's childhood and youth as the daughter of a British colonial family in Persia and Southern Rhodesia Honestly and with overwhelming immediacy, Lessing maps the growth of her consciousness, her sexuality, and her politics, offering a rare opportunity to get under her skin and discover the forces that made her one of the most distinguished writers of our time.
