Pulse Patrick Carman

Fans of action-packed sci-fi thrillers such as *I Am Number Four* and *The Maze Runner* will love bestselling author Patrick Carman's *Pulse*, with its epic action scenes and memorable love story.

In the year 2051, Faith Daniels discovers that she can move objects with her mind. This telekinetic ability is called a "pulse," and her mysterious classmate, Dylan Gilmore, has the talent, too.

In riveting action scenes, Faith demonstrates her ability to use her pulse against a group of telekinesis masters who are so powerful they can flatten their enemies by uprooting streetlights and throwing boulders. But even with her unusual talent, the mind—and the heart – can be difficult to control. If Faith wants to join forces with Dylan and save the world, she'll have to harness the power of both.
