Spiritual Leadership In A Secular Age: Building Bridges Instead Of Barriers (TCP Leadership Series)

Edward H. Hammett

Spiritual Leadership in a Secular Age explores the questions: How can we be faithful people of God in a post-Christian, post-denominational, postmodern world? and How can we do ministry in, through, and as the church in an increasingly secular world? Author Edward Hammett draws on concepts from the ministries of Jesus and Paul as they ministered among persons unlike themselves during the birthing of the New Testament church. He offers a coaching approach and practical ideas to help leaders and congregations as they struggle to discern how to build bridges instead of barriers with the unchurched. A TCP Leadership Series title.
