## **The Ethics of Voting** Jason Brennan

Nothing is more integral to democracy than voting. Most people believe that every citizen has the civic duty or moral obligation to vote, that any sincere vote is morally acceptable, and that buying, selling, or trading votes is inherently wrong. In this provocative book, Jason Brennan challenges our fundamental assumptions about voting, revealing why it is not a duty for most citizens--in fact, he argues, many people owe it to the rest of us not to vote.

Bad choices at the polls can result in unjust laws, needless wars, and calamitous economic policies. Brennan shows why voters have duties to make informed decisions in the voting booth, to base their decisions on sound evidence for what will create the best possible policies, and to promote the common good rather than their own self-interest. They must vote well--or not vote at all. Brennan explains why voting is not necessarily the best way for citizens to exercise their civic duty, and why some citizens need to stay away from the polls to protect the democratic process from their uninformed, irrational, or immoral votes.

In a democracy, every citizen has the right to vote. This book reveals why sometimes it's best if they don't. In a new afterword, "How to Vote Well," Brennan provides a practical guidebook for making well-informed, well-reasoned choices at the polls.

#### **Renee Wood:**

Are you kind of active person, only have 10 or maybe 15 minute in your moment to upgrading your mind expertise or thinking skill possibly analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your small amount of time to read it because this time you only find e-book that need more time to be go through. The Ethics of Voting can be your answer mainly because it can be read by a person who have those short time problems.

#### **Julie Long:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Ethics of Voting can make you truly feel more interested to read.
