The Hundred Years' War

Anne Curry

The Hundred Years' War Anne Curry

There can be no doubt that military conflict between France and England dominated European history in the fourteenth and fifteenth centuries. This war is of considerable interest both because of its duration and the number of theatres in which it was fought. In this book, Hundred Years' War expert Dr Anne Curry reveals how the war can reveal much about the changing nature of warfare: the rise of infantry and the demise of the knight; the impact of increased use of gunpowder and the effect of the wars on generations of people around it.
