**All of Me (The Bridesmaids Club Book 1)** Leeanna Morgan

Four friends. Twenty-two bridesmaids' dresses.

One random act of kindness that will change their lives forever.

Tess has given up looking for Mr. Right, but that doesn't mean she's given up on love. When she reads a newspaper article about a young couple who've had everything stolen from their home, including four bridesmaids dresses, she knows she has to help.

But by helping the bride, Tess risks exposing a past she doesn't want anyone to know about. She does everything she can to minimize the danger she's in, but she does the one thing guaranteed to destroy everything - she falls in love with the wrong man.

Logan Allen has spent most of his career reporting on the news from around the world. When a letter arrives from Afghanistan, the trauma he's been living with is about to explode back into his life. He betrayed a small Afghan village and Tess thinks he's betrayed her.

From their first random act of kindness comes an experience Logan and Tess will never forget. And maybe, if they work together, they can create a future that's better than anything they've left behind.
