## **Answering Jewish Objections to Jesus, Vol. 5: Traditional Jewish Objections** Michael Brown

In the fifth and final volume of his series, Answering Jewish Objections to Jesus, Dr. Michael Brown refutes the traditional Jewish concept that there is a binding, authoritative Oral Law going back to Moses. While showing great respect for his people's traditions, Brown demonstrates that when there is a conflict between the Bible and tradition, Jews are called to follow the Bible. This study will enrich the lives of both Jewish and Christian readers.

Michael L. Brown (Ph.D., New York University) is a Jewish believer who has been active in dialogue, debate, and interaction with rabbis and countermissionaries for more than thirty-five years. He has served as a visiting or adjunct professor at many universities, including Trinity Evangelical Divinity School, Fuller Theological Seminary, Denver Theological Seminary, the King's Seminary, and Regent University School of Divinity.
