End of the Innocence 1964-1965: The 1964-1965 New York World's Fair Lawrence Samuel

From April 1964 to October 1965, some 52 million people from around the world flocked to the New York World's Fair, an experience that lives on in the memory of many individuals and in America's collective consciousness. Taking a perceptive look back at "the last of the great world's fairs," Samuel offers a vivid portrait of this seminal event and of the cultural climate that surrounded it. He also counters critics' assessments of the fair as the "ugly duckling" of global expositions. Opening five months after President Kennedy's assassination, the fair allowed millions to celebrate international fellowship while the conflict in Vietnam came to a boil. This event was perhaps the last time so many from so far could gather to praise harmony while ignoring cruel realities on such a gargantuan scale. This world's fair glorified the postwar American dream of limitless optimism even as a counterculture of sex, drugs, and rock `n` roll came into being. It could rightly be called the last gasp of that dream: The End of the Innocence. Samuel's work charts the fair from inception in 1959 to demolition in 1966 and provides a broad overview of the social and cultural dynamics that led to the birth of the event. It also traces thematic aspects of the fair, with its focus on science, technology, and the world of the future. Accessible, entertaining, and informative, the book is richly illustrated with contemporary photographs.

From reader reviews:

Ollie Brooks:

What do you ponder on book? It is just for students as they are still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that question above. Every person has various personality and hobby per other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book End of the Innocence 1964-1965: The 1964-1965 New York World's Fair. All type of book would you see on many resources. You can look for the internet solutions or other social media.

Jennifer Williams:

Information is provisions for folks to get better life, information these days can get by anyone on everywhere. The information can be a know-how or any news even a huge concern. What people must be consider any time those information which is from the former life are difficult to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take End of the Innocence 1964-1965: The 1964-1965 New York World's Fair as your daily resource information.

Jessie Orlando:

Reading a reserve tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors nowadays always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this End of the Innocence 1964-1965: The 1964-1965 New York World's Fair.

Donald Warren:

Exactly why? Because this End of the Innocence 1964-1965: The 1964-1965 New York World's Fair is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book next to it was fantastic author who have write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of benefits than the other book possess such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.
