Why is a contented, satisfied life so evasive? What deep hungers drive the reckless purchasing habits, out of control accumulation, and crazy consumer lifestyle for so many of us? And why are we often driven more by what our neighbors own than what will truly make us happy?

In this DVD-based Bible study, popular communicator and pastor Jeff Manion provides an inspiring and transformative vision for living a deeply contented life in the midst of our consumer-driven, materialistic and often shallow culture. In light of our surroundings, Manion asks a critical question: Is it possible to live a deeply satisfied life, one of great inner joy, even as dreams seem to fade?

Satisfied draws richly from seven passages of scripture, exploring the way in which these messages were received by the original readers and how these passages can alter the way we view wealth, accumulation, and ultimate contentment today.

This study guide contains video notes, individual or group reflection questions, and between session personal projects enhancing your journey through each of the video sessions on the enclosed DVD, taught by Jeff Manion.
