## **Tangled Titans: The United States and China**

Tangled Titans offers the most current and comprehensive assessment available of United States–China relations. In this definitive book, leading experts consider the past, present, and future of this complex relationship through an in-depth exploration of its historical, domestic, bilateral, regional, and global contexts. Never in modern history have two great powers been so deeply intertwined, the contributors argue, yet so suspicious and potentially antagonistic. Students will find Tangled Titans essential reading to understand the current dynamics and future direction of relations between the world's two most important powers.
