Thrill Lucia Jordan

A powerful Contemporary Romance. Here is the first book in the 'Thrill' Series by Lucia Jordan, written in her signature style of high passion and emotion.

"Even beneath that tailored suit that bespoke wealth and privilege, Brandon Maxwell's dark desires couldn't be concealed."

Hannah Wilson is having a bad day. Her cruel boss, Craig Allen, has just trashed the presentation that she's been slaving over. This time she's had enough. She's going to tear up the presentation, march back inside, and quit. She's sick of controlling, pushy men wreaking havoc in her life.

So when a mysterious stranger intervenes to ask if she's OK, Hannah is in no mood to entertain his enquiry. She just wants to be left alone. But when she discovers that this mysterious stranger is none other than her next big client, and just looking at him sets her lust aflame, she starts to realize that she may be in over her head.

Brandon's on a mission to protect Hanna - but will he find a way to give up her control and surrender to his power?
