Yorktown 1781: The World Turned Upside Down (Campaign) Brendan Morrissey

Osprey's Campaign title for the Siege of Yorktown (1781), which was part of the American Revolutionary War (1775-1783). By 1781 Britain's struggle to contain the rebels in her American colonies had reached an inglorious stalemate. Six years on from the British defeat by the New England militia at Boston, George Washington's rebuilt Continental Army - with support from the French - now systematically began to seek out and destroy British forces even if protected by seemingly impregnable defences. Yorktown would be a salutary lesson to the British Crown about the odds she now faced in holding on to her colonies.
