Accounting Principles Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso

Weygandt's *Accounting Principles* introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives. This book does not include an Access Code to any additional content.
