The Beatles Illustrated Lyrics

A must-have for every Fab Four fan, this classic visual tribute to their music is now available in a handsomely repackaged and affordable paperback edition.

The music and lyrics of the Beatles have proven them to be artists of the page as well as the stage and have here provided inspiration to dozens of artists. Rendered in full color on every page are extravagantly colorful scenes and images, from the psychedelic visions evoked by “Strawberry Fields” to the youthful innocence that springs from “She Loves You.” Witty commentary and candid insights from John, Paul, George and Ringo make this a very special and personal tribute.
