The Real James Herriot: A Memoir of My Father James Wight

No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author. Now, in this warm and poignant biography, Jim Wight ventures beyond his father's life as a veterinarian to reveal the man behind the stories--the private individual who refused to allow fame and wealth to interfere with his practice or his family. With access to all of his father's papers, correspondence, manuscripts, and photographs--and intimate recollections of the farmers, locals, and friends who populate the James Herriot books--only Jim Wight could write this definitive biography of the man who was not only his father but his best friend.
