Praying to God is essential to Catholics. Treasures Old and New offers a way to deepen your relationship with God. With user-friendly devotions and novenas, the book gives readers a way to participate more fully in prayer.

Treasures Old and New offers a modern approach to traditional prayers. It increases the understanding that praying is a way to thank God for your life and all His many blessings. These litanies, prayers, and novenas give readers the words to use to converse with God both internally and externally. Praying is participating and offering gratitude to God, and we are reminded that our Lord will not force a blessing upon us--receive and give thanks.

Gratitude prepares the soul for humility, and humility makes prayer come more easily. The more we rest and work and play in prayer, the more we come to live the Word of God in thanksgiving.
