Adobe Photoshop Elements 11 Classroom in a Book is the most thorough and comprehensive way for you to master all the new features in Adobe's top-rated consumer-targeted photo-editing software. Each chapter in this step-by-step, project-based guide contains a project that builds on your growing knowledge of the program, while end-of-chapter review questions reinforce each lesson. You will learn the basics of editing your images with Photoshop Elements and learn how best to use the program's many new features.

In this new version of the book you will receive complete coverage of all the new features and rebuilt interface of Photoshop Elements 11. Learn about the three easy-to-use editing modes and determine which one best fits your needs. Manage your photos more easily with the newly updated Organizer and view your photos on a map according to where they were taken. New tilt-shift, vignette, and high-low key Guided Edit effects add a professional quality to your images. Turn your photos into striking illustrations using the new Comic, Graphic Novel, and Pen & Ink filters. Showcase your photos in personalized photo keepsakes, and share your interactive albums virtually anywhere you want.

Includes CD-ROM with lesson files. The disc will play on Mac and Windows based computers only.
