The Jewish Guide to the Here and Hereafter: A Treasury of Spiritual Wisdom from the Bible to Our Time Lionel Blue, Jonathan Magonet

Funny, wise and sometimes tragic, this anthology spans the centuries and the world, from the Old Testament to modern times. Both the famous and the countless unnamed who have contributed to the immemorial tradition of the Jewish aphorism and story lead us from the everyday business of life--getting up, growing up, breaking down--to eternity. Rabbi Lionel Blue, with his own special and thought-provoking brand of comment, guides us on the tour. At once enlightening and entertaining, this is a worthy tribute to a people noted for their wisdom, humor and closeness to God, and a book which will bring the richness of Jewish spirituality to readers of every tradition.
