The Knife

Ross Ritchell

The Knife Ross Ritchell

A powerful, dark, and morally provocative debut novel about a U.S. Special Forces unit operating in the Middle East, written by a former soldier—*No Easy Day* meets *Redeployment*...

It's hot and getting hotter this summer in Afghanipakistan—the preferred name for the ambiguous stretch of the world where the U.S. Special Forces operate with little outside attention. Team Leader Dutch Shaw is missing his late grandmother. She was the last link he had to civilian life, to any kind of world of innocence.

But there's no time to mourn. After two helicopters in a sister squadron are shot down, Shaw and his team know that they're going to be spun up and sent back in, deep into insurgent territory, where a mysterious new organization called Al Ayeelaa has been attracting high-value targets from across the region. As Shaw and his men fight their way closer to the source, mission by mission, they begin to realize that their way may have been prepared for them in advance, and not by a welcoming host.

The Knife is a debut novel of intense authenticity by a former soldier in a United States Special Operations Command direct-action team. As scenes of horseshoes and horseplay cut to dim Ambien-soaked trips in helicopters and beyond, Ritchell's story takes us deep beneath the testosterone-laced patter into the lonelier, more ambivalent world of military life in the Middle East. The result is a fast-paced journey into darkness; a quintessential novel of the American wars of the twenty-first century.

From reader reviews:

Connie Simpson:

This The Knife book is not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is information inside this e-book incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This specific The Knife without we recognize teach the one who examining it become critical in thinking and analyzing. Don't always be worry The Knife can bring once you are and not make your bag space or bookshelves' turn out to be full because you can have it in the lovely laptop even cellphone. This The Knife having fine arrangement in word along with layout, so you will not truly feel uninterested in reading.

Donna Cancel:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write with their book. One of them is this The Knife.

Enrique Boggs:

That e-book can make you to feel relax. This particular book The Knife was bright colored and of course has pictures around. As we know that book The Knife has many kinds or category. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think that you are the character on there. Therefore , not all of book usually are make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading that.

Gordon Lipsky:

Guide is one of source of understanding. We can add our knowledge from it. Not only for students but in addition native or citizen will need book to know the up-date information of year to be able to year. As we know those ebooks have many advantages. Beside we all add our knowledge, may also bring us to around the world. With the book The Knife we can consider more advantage. Don't you to be creative people? To become creative person must choose to read a book. Simply choose the best book that ideal with your aim. Don't always be doubt to change your life with that book The Knife. You can more appealing than now.
