Xavier Belvedere was almost just a rumor around Miami. He was notorious among the gay scene for his elusive nature, always locked away in his dark mansion just off Ocean Drive, no one knowing exactly who he was, or what he was up to. Elijah couldn't have been further in character, social and trusting and ready for life. He had no way of knowing that their paths would cross, and in discovering Xavier's secret, have his life change in a way where he could never turn back. The Werewolf of Ocean Drive is a seductively thrilling story of desire, secrets and loss. It takes the reader on an erotic journey to a world of unbridled passion, where our animalistic nature is explored, challenging the traditional notion of love and sexuality.
