For the fans of the best-selling *House of Night* series, the *Wisdom of the House of Night Oracle Cards* provides a unique interactive experience with the vampyre Goddess Nyx. Packaged in a keepsake box with a guidebook, the deck contains fifty gorgeously illustrated cards, many of which are based on characters in the books.

To begin, simply ask Nyx a question: What should I do in this situation? What is going on with my relationship? What will result from my next action? Then select a card and consult the guidebook to discover the message that Nyx intends for you. Just like Zoey Redbird and the other fledglings of the House of Night, you will be encouraged to trust your intuition and make powerful decisions about your life!

The *Wisdom of the House of Night Oracle Cards* is an original divination system, created by P. C. Cast and oracle expert Colette Baron-Reid. It draws inspiration from the Tarot, Norse runes, and the I Ching, but no special expertise is required to use these cards. The illustrations are by digital artist Jena DellaGrottaglia.
